

AIR THERAPY RATA

Ultrasonic Diffuser

For essential oil aromatic use

With a rich, dark, and stylish faux wood finish, a clear Bluetooth speaker, and attractive LED light, the Air Therapy Rata diffuser goes perfectly with any environment, whether in the home or office. The Rata Forest in Auckland, New Zealand, is filled with beautiful resilient trees with sprawling deep roots and wind-twisted and intertwined trunks due to the extreme wind. Likewise, the Rata diffuser disperses essential oils that are grounding, allowing you to be deeply rooted and thrive in the most challenging environments. Enjoy the health benefits of essential oils, enhanced with your favorite music, with Améo's Air Therapy Rata diffuser.

DID YOU KNOW?

Music changes brain activity, including the memory centers in the brain. Scientists have also observed the powerful ability of essential oils to influence brain activity through brain imaging. Combining soothing music with cognitive supportive essential oils (e.g. Rosemary, AGX Focus, Frankincense) can profoundly influence your body's control center—the brain.

SUGGESTED USES

- Diffuse 6 to 10 drops of Améo Soothing Aire or AGX Breathe in your Améo Air Therapy Rata Diffuser to aid normal respiratory function
- Diffuse 6 to 10 drops of Améo Embolden in your Améo Air Therapy Rata Diffuser to promote homeostasis and inspiration
- Diffuse 6 to 10 drops of Améo AGX Focus in your Améo Air Therapy Rata Diffuser to promote concentration at the office or anytime you need focus
- Diffuse 6 to 10 drops of Améo Frankincense in your Améo Air Therapy Rata Diffuser to promote a sense of focused calm

Note: For best results, clean the unit regularly (as instructed in the user's manual) and only use pure essential oils. Keep water away from the exhaust port when cleaning or operating to avoid malfunction.

Caution: If pregnant or under the care of a physician, consult your medical practitioner prior to use. Améo Essential Oils are considered generally safe for use with children aged 2 and above. If any reaction or adverse effect occurs, discontinue use.
